

The Nature Detectives

Woodland Trust **nature** detectives

East,

Nature detectives is a ground-breaking wildlife club and website for children run by the Woodland Trust. Nature detectives has over 1,000 ideas, games and downloads that you can get FREE at naturedetectives.org.uk Play conkers, pick blackberries, kick leaves, build dens and spot wildlife this autumn. It's a fantastic way to encourage kids to enjoy exploring the woodland around them. Active, ground-breaking and fun, it's packed full of creative activities and ideas to get kids outside, with a challenge for young members to do every weekend. The hugely popular website, offering hundreds of free downloads from spotter sheets and collecting bags, to puzzles, craft and games, is visited a million times every year. To become the ultimate adventurer... We also have the Nature Detectives club. When you join you get:

- a giant wall poster and stickers
- seasonal activity packs through the post
- a freshly baked email challenge every Friday packed full of spotter sheets, games, art sheets, ideas, ideas, experiments and crafts to keep you busy over the weekend!
